

With your PT-D200, you can create labels for multiple applications. Select from the many frames, character sizes and styles to design beautiful custom labels. In addition, the variety of tape cartridges available allows you to print labels with different widths and exciting colors.

Printed in China LAAT23001A

Safety Precautions

WARNING

- Indicates a potentially hazardous situation which, if not avoided, could result in death or serious injuries. Follow these guidelines to avoid the risk of fire, burns, injury, electric shocks, rupture, overheating, abnormal odours or smoke.

Read this manual carefully before starting and keep the manual in a handy place for future reference.

CAUTION

Follow these guidelines to avoid personal injury, liquid leakage, burns or heat.

- When the P-touch labeler is not being used, store it out of the reach of children. Do not allow children to put the P-touch labeler parts or labels in their mouths.

General Precautions

- Depending on the location, material, and environmental conditions, the label may unpeel or become removable, the color of the label may change or be transferred to other objects.

Do not place the labeler/batteries/AC adapter in direct sunlight or rain, near heaters or other hot appliances...

FCC NOTICE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference...
