### Standard Adhesive Tape – Laminated

**For Flat, Smooth Surfaces, Indoors and Outdoors**  
**Perfect for labeling:**  
 • File folders and binders • Name badges • Small signage

Our standard adhesive tapes are designed for flat, smooth surfaces, and resist water, grease or grime – the laminated surface wipes clean – and fading and abrasion. They also withstand temperatures from -30 to 100 degrees C and can be used for indoor and outdoor applications.
