

CONNECT, CREATE AND PRINT PROFESSIONAL LABELS

P-touch CUBE XP Label Maker
PT-P910BT

The P-touch CUBE XP is a versatile label maker featuring Bluetooth® wireless technology that delivers extreme performance.

- Works with your smartphone, tablet, laptop or desktop.
- Use the Brother iPrint&Label app¹, P-touch Design&Print2 app* or P-touch Editor software from your PC or Mac®.
- Enables easy integration of label printing using Brother Software Development Kits (SDKs).
- P-touch Editor software lets you access information from existing databases to create and print personalized labels with the USB cable provided.
- Delivers high resolution (360 dpi) printing for crisp text, barcodes and graphics and supports wide width tapes, up to ~1½ in. (36mm).
- Create labels that get noticed – great for product displays, pricing, expiration labels for retail shops and restaurants, office and warehouse applications and more.
- Create the right size labels with the built-in, automatic cutter the provides clean half and full cuts.
- Comes with one Black Print on White Starter Label Tape 1.4 in. (36mm) wide x 13.1 ft. (4m) long, plus Li-ion battery and USB cable.
